

Mr. Obama,

Don't cry for Democracy

Have heard enough your demagogy

Praising rulers of dictatorial ethnicity

Exposed your Exquisite Cupidity

Mr. Obama,

We, Ethiopians, don't expect from any country
to pledge us our democracy

Sooner or later Ethiopian people will show you
irrational sagacity

Mr. Obama,

We remembered who support the South Africa
people freedom struggle primarily

We also remembered who changed their
position when freedom was Inevitability

We, Ethiopians, will prevail
